Formal matters:

It is noted that in the first office action on 10/04/03, there was an indication that the foreign priority documents have been received. However, there is currently no such documents in the file. Therefore, if such documents are to be considered, a new copy must be filed. Alternatively, evidence to show support that such documents had indeed already been filed would also be sufficient. Furthermore, the filing date of 11/4/99 for the foreign priority document is more than a year prior to the filing date of this application of 6/20/2001. Therefore, foreign priority cannot be granted based upon the foreign application France 9913807.

Any inquiry concerning this communication should be directed to Michael Horabik at telephone number (571) 272-3068.
